CRATE ASSEMBLY

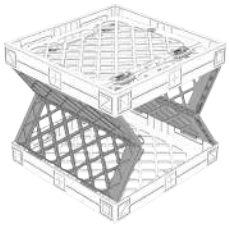

Unpack & Level

1

Remove packaging from around the crate. Place the crate on a flat, level surface with the **rim side facing up.**

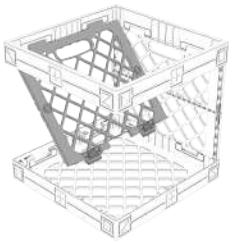

Pull Up

2

Grip the top rim of the crate on opposite sides and pull it upwards. **Pull out any accessories** from inside the crate.

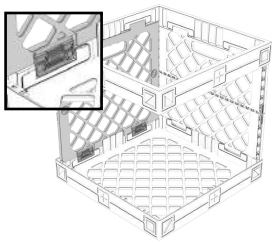

Swing Down

3

Swing down the two full side panels: Reach inside and pull down each full side panel until they are both positioned vertically.

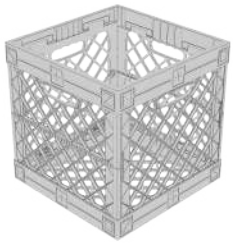

Lock Sides

4

Lock the full side panels in place: Push down on the locks on each full side panel until they snap securely.

Inspect

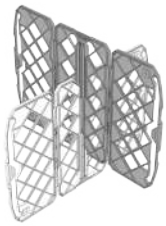

5

Ensure tabs are aligned: Make sure the tabs on the full side panels snap into the corresponding slots on the folding panels.

WINEX™ INSTALL

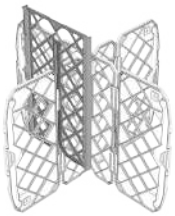

Interlock Panels

1

Interlock the two large WineX™ Divider panels.

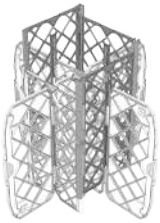

Insert Small Panel

2

Slide one small panel **into the secondary slot** in the large panel.

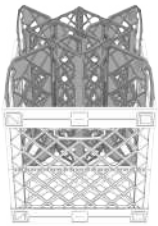

Add Remaining

3

Install the remaining small panels, **interlocking them with each other and the large panels.**

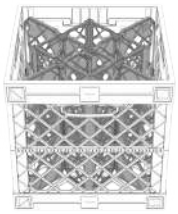

Lower Into Crate

4

Lower the completed divider assembly into the open UCO2™ Lidless Crate.

Press In Place

5

Press the divider fully into the crate to complete installation.
